About our classes:

CYCLE - Rebecca Brittle & Emily Savoie

Our cycling class offers an hour long intensive workout focusing on strength and endurance. Each rider is challenged to transform their life and bodies as they engage in this journey. Cycling is for everyone of all fitness levels as the rider is in control of their own speed and resistance, while receiving positive encouragement and direction from the instructor. We invite all to come on this journey!

ZUMBA - Ronda Bryant, AFAA

Zumba® is an energetic dance fitness format that incorporates Latin and other international rhythms. This format mixes high-and low-intensity moves to provide an interval feel to the workout. Zumba® combines all elements of fitness – cardio, muscle conditioning, balance and flexibility, and you'll leave class feeling awesome!

YOGA - Katie Zernhelt & Leah Yetzer

The practice of yoga is for all ages and will be a great benefit no matter what your skill level may be. You will gain flexibility and strength as well as become in tune with your breath and your body. The hatha style of yoga presented here is a beginner friendly style that is beneficial to all levels. Advanced students will have opportunities to learn advanced poses.

Totally Tone - Emily Savoie

This low impact, strength-based class targets your legs, booty, and abs. With fun music and high energy, you are sure to condition, strengthen, and tone some of your biggest muscle groups. All fitness levels welcome!
