

Y[®] MEMBER POLICIES

The Franklin County Family YMCA is a mission-based organization founded upon Christian principles and four basic concepts for the development of character: caring, honesty, respect, and responsibility. The policies set forth are intended to maintain a safe and positive environment for all members and participants.

IN GENERAL

- Please enter and exit all YMCA buildings through the front door only. All other doors should remain closed, used only in the event of an emergency.
- Members must always stop at the front desk to present their membership card to gain access to YMCA buildings. This includes each family member. Membership cards cannot be shared.
- It is recommended that personal belongings be locked in your car or in one of the lockers provided. Personal items may not be kept for members at the Front Desk. The YMCA will have a Lost and Found, but is not responsible for any lost or stolen property. Inquire at the Front Desk for any lost belongings.
- Parents are responsible for the behavior of their children and must comply with published Youth, Youth Center, and Nursery policies.
- Appropriate behavior is always expected – No obscene, abusive, disruptive language or fighting is allowed anywhere in the YMCA or its programs.
- The YMCA is unable to receive phone calls for members or participants except in the case of an emergency. A courtesy phone will be available in the main building lobby stairway for member use.
- No glass bottles or containers are allowed in the YMCA building. Vending machines for beverages and snacks are available.
- All YMCA property and equipment should remain in the proper program area unless its removal is approved by YMCA Staff.
- Any abuse or intentional destruction of YMCA property or equipment must be repaid by the abuser and can result in dismissal from the YMCA and forfeiture of all member fees paid. Accidental damage must be repaid or replaced.
- Use of tobacco products, alcohol, illegal drugs and gambling is prohibited in the YMCA building, parking lot, surrounding property and during YMCA programs at off site locations.
- Persons under the influence of alcohol or drugs will not be allowed access to the building or allowed to participate in YMCA sponsored programs or events.

IN THE LOCKER ROOMS

- Children under the age of 8 must be supervised at all times while in the locker room.
- The saunas are for members and participants ages 16 and older. Please follow the posted safety guidelines.
- Children should use their same gender locker rooms. Family dressing rooms are available in the hallway between the Women's and Men's locker rooms for young children who need supervision or help while changing and using the facilities.
- Lockers are available at the Front Desk for daily use at no charge. Daily lockers must be vacated at the close of each day. The Front Desk has information about monthly locker rentals.

PROPER ATTIRE

- Appropriate attire is expected in the common areas.
- Shirts which cover the midriff and appropriate athletic shoes are required in the gym, classrooms, fitness area, and track.
- Hard soled, non-athletic, or black marking shoes are not allowed in the gym or on the track.
- In the pool, swimsuits are required. No halters, string bikinis, cut-offs, or thongs allowed.
- Clothing with obscene language or images is not permitted in any area.

We build strong kids, strong families, strong communities.
