PAYROLL DEDUCTION AUTHORIZATION FORM

Franklin County Family YMCA

The Franklin County Family YMCA has obtained agreements with MW Manufacturers, NewBold, Ronile, the Town of Rocky Mount, and Uttermost to provide a payroll deduction option for YMCA membership fees. If you are employed by one of these employers and would like to authorize the payroll deduction option, please complete this form.
This completed form should be turned in to the YMCA Front Desk for processing. A copy of this form will be sent to your employer by the YMCA. Please Note: Prior to authorizing this deduction, the applicant must complete a membership application form, pay the current Joiner Fee, and pay the first month's membership fee.
The YMCA Board of Directors may, at their discretion, adjust the monthly rate applicable to your category of membership. Notice of any change will be mailed to your address of record at least four weeks prior to any change.
